MESSAGE FROM THE SUPERVISOR

Dear Resident,

This 2011 WRAP calendar has been provided for you in order to make it even more convenient for you to recycle. Whether you are a new resident or have lived here for many years, this calendar will keep you informed as to how and when to place items out for collection. I encourage you to hang it in an accessible location and to refer to it whenever necessary.

In addition to our many recycling programs, our E-Waste collection program continues to be a huge success. The electronic material (computers, printers, electronic games, etc.) is collected curbside with your recyclable materials on the last Wednesday of each month. Residents may also drop off material FREE of charge at the Multi-Purpose Recycling Facility located on Lincoln Avenue in Holbrook, Monday through Friday, 7:00 a.m. to 2:45 p.m. In addition, you have the opportunity to dispose of your Household

Hazardous Waste at the Recycling Facility, Monday through Friday, 7:00 a.m. to 2:00 p.m. If you have any questions about this or any other recycling project, please call the Office of Recycling at 224-5640.

Your consistent and continued participation in recycling is not only environmentally sound, it helps to defray refuse costs by keeping reusable material out of the waste stream. Once again, the Islip Town Board and I would like to thank you for your assistance in recycling.

Very truly yours,
